

To: Judiciary Committee,

I am writing to voice my opinion on the proposed laws/bills (S.B.16, H.B. 5416, S.B.388, H.B 5415, and H.B.5412) you are presenting and voting on presently. It goes without saying that as a law abiding and responsible firearm owner in this state that it is deplorable that I have to provide written request for you to vote in direct opposition to S.B. 16 and H.B. 5416 and for your support of S.B.388, H.B 5415, and H.B.5412.

The people of CT and I kindly ask that you stop wasting taxpayer time and money on more laws that infringe on our constitutional freedoms and start representing us (the people who elected you). The people of CT have spoken and it is time for the politicians to start listening!

I oppose S.B. 16

I oppose H.B. 5416

I support raised S.B. 388

I support raised H.B. 5415

I support raised H.B. 5412

These issues above are pointless lets focus on something more like the higher electric costs and fuel costs that are hurting Connecticut residents.
